

## WUNA's Mission Statement

WUNA has been established to preserve the residential integrity of the neighborhood, while continuing to welcome a diverse mix of residents to its lovely, quiet, tree-lined streets.

It seeks to maintain and enhance the neighborhood's friendly, attractive, and safe environment that is within walking distance of downtown, campus and excellent schools.

## Think you're too busy to join?

Consider the following:

- Your only membership obligation is that you love the neighborhood.
- WUNA-at-Large meetings are held only once a year.
- If your time is very limited, being a member provides a convenient way to connect to your community via the WUNA Listserv. Cyber chat (or just "listen") with other residents, city staff, university officials and your elected representatives regarding neighborhood and city issues.
- If you want to meet interesting people, consider joining a WUNA Action Group and/or attend one of WUNA Social Events: Potluck Dinners, Sunday Afternoons in Carle Park, Plant Swaps, and more.
